

## Acts 7:1-60

### Stephen's Defense and Death

*The high priest said, "Are these things so?" And he said, "Listen to me, brothers and fathers!" (Acts 7:1-2)*

Two themes stand out in Stephen's speech:

- 1) God raised up leaders whom the Jews consistently \_\_\_\_\_
- 2) The Jews responded wrongly to the \_\_\_\_\_ itself

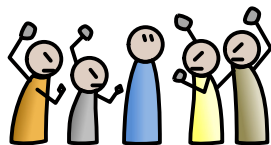

### 7:2-8 God made promises to Abraham

### 7:9-16 God delivered Israel through Joseph

### 7:17-45 God delivered Israel through Moses

### 7:46-50 David & Solomon built the temple, but it could not contain God

### 7:51-53 Final swing: diatribe against the Jewish leaders

### 7:54-60 Martyrdom

What began as a legal case that was gathering evidence against Stephen ended as a mob response. There really is no question here of the legality of his execution, nor was there any formal verdict—he was lynched by an angry mob.

### Food for Thought

- Exposure to or knowledge of the truth does not equal \_\_\_\_\_.
- Those who reject \_\_\_\_\_ also reject those sent by him.
- God \_\_\_\_\_ and \_\_\_\_\_ his own.
- The truth is \_\_\_\_\_, and its worth dying for.
