**Food for Thought**

- Jesus said that his disciples would do greater works than what he did (John 14:12); this passage records a fulfillment of his words.
- The gospel continues to spread out from Jerusalem in significant ways, and Peter continues to be a key player.

The distance from Jerusalem to Lydda by the route shown here was about 30 miles. From Lydda to Joppa was about 12 miles. This map is adapted from map 107 of the *New Moody Bible Atlas*.
